

Community Bankers Association of Illinois 28th Annual Washington Visitation

April 25 - 27
Renaissance Mayflower Hotel
Washington, D.C.

Washington Visitation is an annual lobbying trip organized by the Community Bankers Association of Illinois. For more than 25 years, community bankers from across Illinois have been traveling to Washington, D.C. to express their position on issues to federal regulators and their Illinois Members of Congress.

The up-to-the-minute briefings by expert staff from Washington and face-to-face meetings with regulators and legislators provide first-hand knowledge of the pressing issues facing community banking. We cannot make a difference sitting idly by and allowing change to take place without providing input! Let your voice be heard by those who can affect the process.

This year's annual visitation is in conjunction with ICBA's 2010 Washington Policy Summit. Along with CBAI coordinated events, Illinois' entire delegation is also invited to attend ICBA's meetings and events.
