

Community Bankers Association of Illinois 36th Annual Call on Washington

**April 8 – April 11, 2018
Grand Hyatt Washington**

Call on Washington is an annual lobbying trip organized by the Community Bankers Association of Illinois. For 35 years, community bankers from across Illinois have been traveling to Washington, D.C. to express their position on issues to their Members of Congress.

The up-to-the-minute briefings by expert staff from Washington and face-to-face meetings with legislators and regulators provide first-hand knowledge of the pressing issues facing community banking. We cannot make a difference sitting idly by and allowing change to take place without providing input! Let your voice be heard by those who can affect the process.

This year's Call on Washington will be in conjunction with ICBA's 2018 Capital Summit. Along with CBAI coordinated events, Illinois' entire delegation is also invited to attend ICBA's meetings and events.

FIRST GUEST SPEAKER ANNOUNCED

Senator Pat Toomey (R-PA) will address the 2018 Capital Summit on Tuesday morning, April 10th at 8:30 a.m. Senator Toomey is a member of the Senate Banking Committee and is chairman of the Subcommittee on Financial Institutions and Consumer Protection.
