### **CBAI Action Alert: Urge Congress to Advance Regulatory-Relief Legislation**

The most promising community bank regulatory-relief legislation in many years is moving through the U.S. Senate. The Economic Growth, Regulatory Relief and Consumer Protection Act (S. 2155) has assembled 23 bi-partisan cosponsors; it has passed the Senate Banking Committee, and is now headed to the full Senate for consideration and a vote.

CBAI's Senior Vice President Federal Governmental Relations, David Schroeder, will be meeting with Illinois Members of Congress and Federal regulators in Washington D.C. the week of January 15. The number-one priority Schroeder will highlight is passing long-overdue, well-deserved and meaningful regulatory relief for community banks. The time for Congress to act is now!

This Action Alert urges your Members of Congress to support the passage of S. 2155 and will reinforce Schroeder's message to the entire Illinois delegation about the importance of passing this bi-partisan community-bank regulatory-relief bill. [Please Take Action Now!](#)

**Please share this Action Alert with your board members and senior management. We need a strong response from all Illinois community bankers. Thank you for responding!**
