

LEGISLATIVE OUTREACH

Community Bankers Association of Illinois
Department of Governmental Relations

CBAI urges you to sign an online petition supporting the Independent Community Bankers of America's Plan for Prosperity.

The Plan for Prosperity is the ICBA's policy platform for the 115th Congress that promotes a regulatory environment in which community banks can thrive and contribute to their economies. The Plan contains flexible priorities to ease excessive, redundant and costly regulations while supporting greater regulatory accountability to help community banks dedicate more of their resources to promoting economic growth.

The petition will be shared with policy makers so a truly impressive response is needed to highlight community bankers' commitment to join with the 115th Congress and the new administration in creating a new era of growth and prosperity.

Please take action Now!

Please share this Action Alert with your board members and senior management.

We need a strong response from Illinois community bankers.

Thank you for responding!
