CBAI's Online Registration Email Notification Changes

CBAI's online education and event registration management software provider ABC Signup has changed its name to Learning Stream and have migrated to a new email server domain [@learningstream.com](mailto:cbai@learningstream.com). As part of this process CBAI registration notification emails received confirming registrations **will no longer be addressed to registrants from CBAI REGISTRATION CONFIRMATION <cbai@abcsignup-mail.com>**.

Effective immediately, registrants will receive registration confirmations from address CBAI REGISTRATION CONFIRMATION <cbai@learningstream.com> and the emails are delivered from New IPv4 address: **198.101.251.83**; and New IPv6 address: **2001:4800:7821:102:be76:4eff:fe04:fb85**. *Please contact your email administrator, it may be necessary for your email administrator to "whitelist" the above IP addresses.*

We are excited about the changes being made at Learning Stream and upcoming enhancements providing us with more flexibility to meet the everchanging requirements of the training and continuing education for community bankers.

If you have any questions or comments regarding CBAI's educational programs, please contact the CBAI Department of Education and Special Events at 800/736-2224. If you require technical support for online registration, please ask for the Operations Department.
