

CBAI's Call on Washington - Rescheduled

The release of the Congressional Schedule for 2018 revealed that both the U.S. House and Senate would not be in session during CBAI's planned Call on Washington which we hold in conjunction with the Independent Community Bankers of America's (ICBA) Capital Summit. This news has prompted ICBA and CBAI to change the date when our members will be bringing their message to the nation's capital and their lawmakers and regulators.

The new date will be Sunday, April 8 – Wednesday, April 11, 2018

The location remains the same – Grand Hyatt Hotel, Washington, D.C.

We look forward your joining us at CBAI 36th Annual Call on Washington.
