

At CNB Bank & Trust, we have embraced the new Midwest Office Select Program (MWO) in a BIG way! We have a small marketing department and realized that partnering with MWO, would provide efficiencies throughout our organization. Bank employees now have a one-stop shop for ordering office supplies, marketing and promotional materials, including CNB attire, etc. The MWO account team has been very accommodating, patient and willing create the requested CNB enhancements. We are very excited about nurturing this new partnership and continuing to fine-tune our offerings.
