***FOR IMMEDIATE RELEASE***

**Fitech Payments Promotes General Manager Shawn Dillon to Role of President**

FORT WORTH, TEXAS – August 30, 2017 Fitech Payments, a community banking industry leader in payment processing solutions, is excited to announce the promotion of Shawn Dillon from General Manager to President. This promotion is effective immediately.

“I am humbled and thankful that Fitech has given me this opportunity to step into the role,” said Shawn Dillon, the newly-appointed President of Fitech Payments, “I look forward to leading the hard working and talented Fitech team to reach our goals and best serve our community banking partners.”

Dillon’s background in sales combined with his knowledge of the community banking industry has helped him build the Fitech brand into a leading payments provider for community banks.

He was instrumental in negotiating agreements which saw Fitech Payments become the endorsed merchant services partner for community banking associations such as the Pennsylvania Association of Community Bankers, IBAT (Independent Bankers Association of Texas), CBAI (Community Banking Association of Illinois), WIB (Western Independent Bankers Association) and CBAK (Community Bankers Association of Kansas).

## **ABOUT FITECH PAYMENTS**

Fitech Payments offers community banks and community banking associations a customizable package of credit and debit card processing solutions for the bank's merchant customers. These solutions help recapture lost revenue for the community banks as well as simplify the merchant's financial operations. They are the exclusive merchant services partner of PACB (Pennsylvania Association of Community Bankers), IBAT (Independent Bankers Association of Texas), CBAI (Community Banking Association of Illinois), WIB (Western Independent Bankers Association) and CBAK (Community Bankers Association of Kansas). They are based in Fort Worth, Texas.
