CBAI is once again holding a mini-exposition at its annual Community Bank Directors' Conference. It provides attendees quality time to learn about the products and services your firm offers and enables your representatives to develop business relationships. Last year, nearly 200 bankers and bank directors from more than 50 banks attended this popular event.

### Tabletop Specifications

Each 8-foot-long display table includes skirting, a table cover, and an identification sign. A list of attendees and exhibitor badges are also provided. Tabletops are allocated on a first-come basis and received in the order that contracts are received in the CBAI office. CBAI reserves the right to accept or reject any applications for space.

### Tabletop Fees

CBAI associate member firms may purchase a tabletop display and send two representatives to the Directors' Conference for \$500. The fee for prospective members is \$1000. Other representatives of any displaying firm may attend the seminar for an additional \$75 per person.

If a cancellation occurs, notice may be made two weeks prior to the event for a full refund; after two weeks, no refund.
