Webinar – On-Demand Web Link

Conducting the Annual Physical Security Review Wednesday, August 22, 2018 2 - 3:30 p.m.

Conducting the annual physical security review is more than completing a checklist. The reviewer must be able to identify foreseeable events and take reasonable action to correct them. Problems regarding training, landscaping, lighting, and marketing can sabotage any financial institution. Security mistakes can make you a target for robberies, muggings, and lawsuits. From camera set-up to landscaping, lighting, and visibility, learn best practices to protect staff and accountholders. This webinar is based on actual findings during security audits and physical security reviews. If you have never conducted a physical risk assessment, this is the program for you. Risk assessment veterans also benefit from this outstanding refresher course. Get the facts on how to prepare, review, document, and use assessment information.
